

Inquiry Buddies: Representing our Learning

Our Group Topic: _____

Members of the Group:

For our project, we are going to:

This project is a good way to represent our topic and our learning because:

To begin our project, we understand that first we need to complete a plan. This plan will vary depending on what we chose to do first.

We understand that this is only step one! We will be asked to represent our learning in a multiple # of ways!
